– ACCOMMODATION · ROOMS –

Handelsstedet Forvik, an important trading post from the 1800th Century, is in Vevelstad, 22 km north of Brønnøysund and now made into a coffee roasting.

It also houses a restaurant and an authentic accommodation in the historic north country-house "Grålåna" which was built around 1750. The house is maintained and refurbished, and today we have 5 rooms for rent. Each room is unique and has a homey and historic atmosphere.

At Restaurant Naustloftet we serve good food with a local touch. As far as possible, we use local ingredients.
