# WINTER ADVENTURES

- NATURLIGE HELGELAND • HIGH AND LOW -

In the winter as well, Helgeland is the perfect place to seek adventures!

## **Randonee, mountain or cross-country**

With a base in Mosjøen, you can ski down coastal mountains or head for virgin powder in the inland mountains. For a long tranquil trek, head for the Okstindbreen glacier or one of the many established cross-country trails.

## **Ice fishing**

Helgeland's beautiful lakes offers excellent ice fishing. Bring warm clothing and patience - we'll bring the gear and guarantee a good catch!

## **Snowshoeing**

Join us for some snowshoeing in the twilight, or under a moonlit starry sky.

## **Dog-sledding**

Help put the harness on the Alaskan Huskies, pet them encouragingly, and lean back as the enthusiastic dogs race along with our sled.

## **In search of the Northern Lights**

The Northern Lights have spellbound people for millennia. Join us in hunting the light. We'll make a fire and serve a hot beverage and a simple hot meal while we are waiting!

**Capacity:** 4 - 30 persons
