

HIMMELBLÅ BRYGGE / ACCOMMODATION

RESTAURANT – ACCOMODATION – ACTIVITIES ON YLVINGEN

Himmelblå Brygge offers three types of accommodation on the island of Ylvingen. You decide whether you and your fellow travellers prefer to stay in a family room in our Arctic Dome «Himmelhiet», or in a luxurious «glamping» tent that faces the open ocean.

In our Arctic Dome, you can fall asleep to the sound of waves washing the rocky shore below, and the midnight sun is your night-light! It's a very comfortable accommodation right on the sea.

Would you like something more luxurious? We also offer «glamping», which is short for "glamorous camping" – in our case with a stunning 360-degree view of the sea and surrounding scenery of Vega, all bathed in the midnight sun.

If you prefer to sleep in more traditional quarters, we offer family rooms on our second floor. These are equipped with a couple of extra-wide bunk beds (120 cm), for a total of at least four beds.

The island of Ylving attracts guests with tranquillity, beautiful scenery just waiting to be explored, a tempting range of activities and adventures, and entertaining events. You will be well rewarded if you take the time to visit! As hosts, we naturally hope that you will stay an extra day – just enter the discount code **#endagtil** (one more day) when booking, and you will see a pleasant price. Linen, towels, and access to showers and toilets are of course included. Breakfast is extra.
