

LOVUND SKYSS AS

- ACTIVITY COMPANY • TRANSPORT -

Lovund Skyss can offer tailored made tours. Together with their experienced partners, Lovund Skyss can offer accommodation, land-based transport, and a variety of adventures on sea and land all along the Helgelands archipelago, as well as in more distant coastal waters.

Lovund Skyss can take you on the Puffins Arrival Day at Lovund, sea fishing, visit the local whale, the 300 meter waterfall, the Nordfjorden - Northern Norways answer to Geirangerfjorden, the Svartisen glacier and much more.

Lovund Skyss' vessels range from small 12-person shuttle boats up to a catamaran that takes 97 passengers. Lovund Skyss can also serve food and drinks depending on the desires of the group.

Capacity: Up to 97 passengers per boat

Activities and attractions near by:

Hiking the Seven Sisters mountain range, visit the Vega World Heritage, fishing, cycling, diving, sea kayaking, bird watching, historical and geographical sights, RIB tours and natural, recreational outdoor areas.
