

MELØY ALPS: FROM SEA TO LOFTY PEAKS, WITH STØTT

STØTT – TOP OF HELGELAND AS YOUR BASE

These jagged majestic mountains beckon you to summit climbs in one of Norway's most scenic areas. If you yearn for virgin snow in a pristine mountain wilderness, then this is the adventure for you and your friends! Our expert guide will take you to the best peaks, carefully choosing the descents that are best suited to your desires and skill set. During these adventurous days, you will be staying at Støtt Old Trading Post. From here, we'll take you to the foot of the Meløy Alps in a speedy RIB sea raft.

When you are staying at Støtt, you are only an hour away from incredible ski areas. Here you can experience our thriving island community, immerse yourself in the coastal culture and, après ski, hear stories from the golden heyday of Støtt Old Trading Post. Perhaps you might be tempted to an invigorating plunge in the sea from the quay?

The tour include:

Two summit hikes with guide, transport by RIB sea raft and minibus between Glomfjord and Støtt, 3 nights in a double room, with breakfast, a three-course dinner every day, packed lunches, snacks, coffee and tea.
