ABOUT

Stay with us in peaceful surroundings by the Ranfjord, just a short drive from the centre of Mo i Rana.

The area offers a variety of activities for the whole family. During the summer, you can rent a boat and go fishing, go hiking in the surrounding mountains, or simply enjoy the day by the fjord, relaxing and watching the birds. Yttervik is also an excellent base for visiting well-known attractions such as the Svartisen glacier, the Grønligrotta cave, the Rabothytta cabin in the Okstindan mountains and the Arctic Circle.

At Yttervik you can spend the night in their great cabins or cozy igloos, right by Ranfjorden. They also have nice spots for motorhomes and caravans.
