ABOUT

To Norwegians, Himmelblå Brygge and the island of Ylvingen is well known from a popular TV programme. Fortunately, all visitors are welcome to dine and enjoy an overnight stay here. Some of the accommodation is unusual and the scenic surroundings are magnificent. And for young and old, Himmelblå Brygge offers lots of activities and great adventures!

When you want a room for the night, why not choose one with real style? Himmelblå lodge is open year round. Himmelblå Brygge offers three different room types, but no matter what you choose, you are close to the sea.

Himmelblå Brygge's restaurant is popular with the locals as well as visitors, everyone appreciates the emphasis on local ingredients and good service. We offer à la carte dining, or you can make reservations for our three-course set menu. Freshly baked goods and an assortment of beverages and refreshments are also offered.
