ABOUT

An exciting climbing park with courses suited for both kids and adults aged 3 to 100. Zip lines that send you flying through the forest and across rivers, obstacle courses for the bold and energetic, and easier routes for those who prefer a bit less thrill in their day. A place where everyone can enjoy a sense of achievement – at their own pace.

The park is close to facilities like food, accommodation, snacks, a souvenir shop, mini golf, swimming, hiking, and a wide range of other activities. Group visits to the climbing park are a great way to connect and build confidence, no matter your level.
