ABOUT

At Freke Wilderness, you're part of the adventure from start to finish. From meeting the dogs at the kennel to gliding through the snowy mountain forest, every moment is an unforgettable experience. The tour ends with rosy cheeks, happy dogs, and a cup of coffee by the campfire. This is a magical adventure for dog lovers, active families, and anyone eager to unleash their inner explorer.

Freke Wilderness offers both half-day and full-day tours. Every trip starts with meeting the dogs at the kennel. The half-day tours last 2 to 3 hours in total and accommodate up to 6 people. You can either drive your own sled in pairs or ride with the guide. Children must always ride with the guide.

Full-day tours are designed for smaller groups of 1 to 3 people and last 5 to 6 hours. Along the way, there's usually a stop to light a campfire and try ice fishing.
