ABOUT

On Meløy Adventure's RIB sea-rafting trips, you speed across the waves to unique scenic and cultural gems on the Helgeland coast. Join us, for instance, on an excursion to Rødøya with a summit hike up Rødøyløva, and come visit Myken Distillery or climb the mighty Trænstaven. There are many other options as well. On the sea-rafting safari into the Nordfjord, we cross the Arctic Circle and may well see the pilot whale that thrives in the Melfjord.

The RIB sea-rafting adventures from Ørnes are fast paced, and you can quickly arrive at one of the amazing hiking destinations on the Helgeland coast. We lend all participants a thermal flotation suit, so you will be snug and warm in any kind of weather. Here are the most popular tours offered by Meløy Adventure:

- Sea rafting to Rødøya – and a summit hike up Rødøyløva
- Day excursion to Myken
- RIB excursion to the Melfjord and Nordfjord

Be sure to bring a camera, because there are many incredible photo opportunities on this sea-rafting excursion!
