Suitable for ages 8 and up

Included

All the necessary safety gear and task-related equipment is provided.

Safety personnel and support are on hand wherever it's sensible and required.

Other requirements / restrictions

Dogs not permitted

Distance from town

62,7 km

ABOUT

Arctic Circle Race is an exciting team-building concept for groups of friends, workplaces, or large families. The event is tailored to the area where guests are staying or dining, but the foundation is an intense, high-quality challenge race inspired by the TV hit *The Amazing Race*. Participants face creative challenges, brain teasers, knowledge tests, problem-solving tasks, and a wide range of physical activities—everything from obstacle courses, climbing, rappelling, kayaking, swimming, and target throwing, to team exercises like three-person skis or blindfolded navigation with a partner. There are also technical challenges with robots, singing tasks, knife throwing, fire-making, construction, archery, and axe throwing.

It's intense and packed with action, but never overwhelming or discouraging for those who don't usually seek out adrenaline-filled experiences. Everyone plays an important role and gets to use their strengths without constantly being pushed to expose their weaknesses.

If a company is focused on values like innovation and creative thinking, collaboration, or loyalty, we adapt the tasks to help them get the most out of the experience based on their specific goals.
