ABOUT

«The Hunt» is an exciting team-building concept designed for groups of friends, workplaces, or extended families. It combines fun activities using the full range of facilities and courses in the climbing park with brain teasers, creative challenges, orienteering, scavenger hunts, and team tasks – three hours of shared fun and challenges, suitable for all levels of fitness and courage. It's a great way to bring people together across different skills and abilities.

Elements like mini golf or slacklining can be added or swapped out to tailor the experience. Whether you're looking to build loyalty, strengthen social bonds, or focus on specific skills like problem-solving, innovation, or creative thinking, this flexible concept can be adapted to your group's needs.
