ABOUT

Lille Herstrand is a historic fisherman-farmer site on Meløya, along the Helgeland coast. Set on a large private property with its own beaches, it offers a genuine experience of Arctic coastal life.

The location gives unique access to Helgeland's nature and culture – ideal for both businesses and families. Visitors can explore the island landscape and get a close feel for the region's distinctive coastal culture.

Lille Herstrand is perfect for teambuilding, relaxation, and outdoor activities. Experience the northern lights, midnight sun, island wilderness, and the rich coastal heritage of the area.
