ABOUT

Norsk Havbrukssenter offers 11 high-standard rorbuer, ideally situated at the waterfront in scenic coastal surroundings.

The cabins combine traditional design with modern comfort, delivering a premium accommodation product suitable for FIT guests, small groups, and curated coastal programmes. The waterfront location enhances the overall destination experience and adds strong visual and experiential value.

These premium rorbuer integrate well with activity-based itineraries and seafood-focused programmes, providing both comfort and authentic coastal identity in one cohesive product.
