ABOUT

Stavsmarken Gård offers a cosy café experience combined with flexible use for groups, meetings, and private events.

Located above the farm shop, the café serves homemade baked goods and simple lunch dishes based on the farm's own products, providing an authentic taste of local food traditions.

While the café operates seasonally, it is also available for private group bookings throughout the year. The venue can accommodate meetings, small events, and social gatherings, and is equipped with facilities such as a projector — making it suitable for both informal and structured programmes.

With its warm atmosphere and strong connection to local food and culture, Stavsmarken is an ideal setting for groups seeking an authentic and personal experience on Vega.
