ABOUT

3 Kalver is a farm restaurant located in the municipal centre at Solfjellsjøen. This cosy restaurant has a warm and welcoming atmosphere. It's a natural stop when travelling between Dønna and Sandnessjøen or Herøy, conveniently located near the centre of Dønna. Here, you can enjoy a good meal in charming surroundings.

They serve lunch dishes during the day, and in the evening offer a three-course tasting menu inspired by local traditions, made with ingredients from producers on Dønna and across Helgeland — true to its name, veal isn't part of the menu.
