ABOUT

Set in beautiful surroundings on the island of Dønna, Dønna Rorbuer Bøteriet is located right on the waterfront. Enjoy good food, a cosy place to stay, and guided boat trips—all right by the water.

Sleep well, enjoy good food and drink, join a boat tour in a traditional Nordland boat, rent a boat for fishing, or head out in a kayak. Just outside the door, you'll find several hiking trails. You're also close to many of Dønna's well-known attractions.

At the Bøteriet restaurant, you can enjoy meat, fish, or vegetarian dishes made with locally sourced ingredients—especially the fish, which is freshly caught right off Dønna. The restaurant reflects its history as a traditional “bøteri” (net-mending workshop). Today, the space is modern, with glass walls facing the sea, but still features old wooden beams and rustic details that reflect its history.
