ABOUT

Forvik Old Trading Post offers a stay full of coastal charm, history, and hospitality. This historic 18th-century site is known for its welcoming atmosphere and thoughtful hosts who make you feel like part of the family. Each room is individually decorated with warmth and care, creating a homely feel rather than that of a typical guesthouse.

The sound of waves and fresh sea air set the tone for a relaxing stay. The hosts take pride in making your visit personal—whether offering freshly brewed coffee from their own roastery, sharing stories about the trading post, or suggesting local experiences.

In the café, enjoy locally roasted coffee and a sweet treat in surroundings rich in history. It's a gathering place for both travellers and locals, with a friendly, laid-back atmosphere.

Beautifully located, Forvik Old Trading Post is a great base for exploring the Helgeland coast or simply unwinding by the sea. If you're looking for a place with genuine hospitality, historical depth, and a relaxed coastal vibe, this is the perfect spot.
