Capacity / number of guests

8-35

Duration

2 hours

Level

Grade 1

Age limit

All ages

Included

- Coffee
- Cake
- Storytelling

ABOUT

Join us for a relaxed cup of coffee and discover the story of the historic trading post at Forvik. We share fascinating tales from the old days before giving you an insight into how coffee is roasted today.

Guests are served freshly brewed coffee and homemade cake in Krambua, which now operates as a charming coffee bar and café.

This is a wonderful experience for groups who want to enjoy local culture and flavours in a cosy and authentic setting.
