ABOUT

When you choose a holiday stay in a modern rorbu cabin at Kvarøy Sjøhus, you have the most beautiful destination on the Helgeland coast within easy reach. A boat or kayak opens wonderful opportunities for adventure.

As a guest, you can rent a fishing boat and fishing gear. The 19-foot Kvernø aluminium boats are equipped with 50–70 horsepower outboard motors. Life jackets are included, and survival suits can be rented.

The island has a small grocery store with limited opening hours, so plan your purchases well.

Kvarøy Sjøhus would be happy to arrange conferences or other events for larger groups.
