### ABOUT

Unleash your creativity in our cosy farm workshop at Løylegård. Here, you can craft your own birdhouse, create a soft alpaca figure using wool from our very own animals, or build your own small boat and launch it on the water.

This hands-on experience is both relaxing and rewarding — perfect for families, couples, and anyone who enjoys working with natural materials. Whether you are painting and assembling a birdhouse, shaping wool into a charming alpaca, or watching your handmade boat set sail, you'll leave with a personal souvenir and a story to tell.

A warm and creative activity that connects craftsmanship, animals, and authentic farm life.
