ABOUT

Join us for a peaceful and charming walk-through forest and open countryside — accompanied by our friendly alpacas. Some of the alpacas walk alongside you on a lead, while others roam freely nearby, creating a relaxed and natural atmosphere.

Walking with alpacas is a calm and joyful experience. Their gentle nature and curious personalities make every tour special. Surrounded by fresh air and beautiful landscapes, this is the perfect activity for families, couples, and anyone looking for a different and memorable outdoor experience.

The walk lasts approximately one hour at a comfortable pace, giving you plenty of time to connect with the animals and enjoy the scenery. Afterwards, you are warmly invited to relax around the fire pit or unwind inside our cosy dome — a perfect setting to share stories, take photos, and extend the experience in peaceful surroundings.

A delightful combination of nature, animals, and slow adventure — creating memories that last long after the walk is over.
