ABOUT

Løyledomen at Løylegård is a spacious, heated grill house designed to host up to 45 guests in a distinctive and atmospheric setting — ideal for meetings, events, and tailored group programmes.

Featuring a central gas fireplace and dedicated serving facilities, the dome offers a versatile venue suitable for corporate gatherings, workshops, team meetings, incentive events, and private celebrations. The space can be adapted to different setups, allowing for both formal sessions and more informal, social formats.

Meeting facilities can be arranged to support presentations, discussions, and group activities, making Løyledomen a flexible alternative to traditional conference venues. For an enhanced experience, live music can be added to create a unique and engaging atmosphere for dinners, receptions, or evening programmes.

The warm indoor environment ensures year-round usability, while the surrounding farm setting adds a strong sense of place and authenticity to any event.

Løyledomen combines functionality, flexibility, and character — offering a memorable arena for meetings, networking, and shared experiences in a relaxed and inspiring environment.
