ABOUT

Join us for an atmospheric tour of the Adde Zetterquist Art Gallery, where you will get up close to the works of Per Adde and Kajsa Zetterquist.

Our guides will take you on an engaging journey through their artistic careers, their strong commitment to nature conservation and Sámi rights – and how these themes are reflected in their art. Here, you won't just see the paintings – you will also gain insight into the stories behind them. How were they created? What inspired them? What did the artists fight for?

The tour concludes with a relaxing break by the campfire, where you can reflect on the experience with a cup of freshly brewed campfire coffee.
