ABOUT

Restaurant Alma delivers a high-end dining concept centred around locally sourced seafood and seasonal ingredients. The daily four-course menu highlights fresh regional fish and carefully selected raw materials of exceptional quality.

From Wednesday through Saturday, the Chef's Table offers a twelve-course tasting menu featuring exclusive ingredients and seasonal harvest from the restaurant's own vegetable garden. Curated wine and non-alcoholic juice pairings are available to ensure a complete and balanced gastronomic experience.

Restaurant Alma represents a strong premium product suitable for incentive travel, executive groups, high-value FIT guests, and curated culinary programmes. With a clear local identity and refined execution, it adds significant perceived value to any Helgeland itinerary.
