ABOUT

Restaurant Ellen at Fru Haugans Hotel offers a distinctive culinary experience rooted in more than a century of hospitality tradition.

Situated within the historic wooden buildings of Fru Haugans Hotel — Northern Norway's oldest hotel — the restaurant builds on the legacy established by Ellen Haugan in 1885.

The kitchen focuses on high-quality ingredients sourced from Northern Norway, presented in dishes inspired by both regional traditions and international culinary influences. The concept blends local produce with global inspiration, creating a contemporary Arctic dining experience.

Restaurant Ellen is well suited for group dinners, corporate events, and curated travel programmes seeking authentic local gastronomy combined with historical atmosphere in the centre of Mosjøen.
