### ABOUT

Sømna Kro & Gjestegård provides a combined accommodation and meeting product located in Vik, in the southern part of the Helgeland coast.

The guesthouse offers 39 rooms with private bathrooms, suitable for both individual travellers and groups. The property also includes a restaurant, a local food shop, and flexible meeting and conference facilities.

Two modern meeting rooms accommodate up to 20 and 40 participants, while a larger cinema-style conference hall can host up to 100 guests. Additional gathering spaces, including a cosy lounge area, make the venue suitable for seminars, workshops, and social events.

Sømna Kro & Gjestegård works well as a stopover or meeting venue for tour groups, corporate gatherings, and coastal travel programmes, offering practical facilities combined with genuine local hospitality.
