ABOUT

Thon Partner Hotel Mo i Rana combines scenic fjord views with easy access to city life. Beautifully located on the shores of Ranfjorden and just a few minutes' walk from the town centre, the hotel offers comfortable accommodation close to the waterfront promenade, cultural attractions, and mountain adventures.

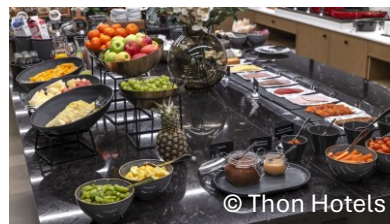

The hotel features 145 rooms, ranging from moderate to standard, business, and superior categories — well-suited for couples, families, business travellers, and groups. Several rooms have views of the fjord, and all are equipped with everything you need for a pleasant stay.

Guests enjoy access to a modern fitness room, free parking, and an on-site restaurant serving Thon's award-winning breakfast buffet year-round. In summer, a dinner buffet is also available, and light meals are served year-round in the hotel's barception. The large, sunny terrace facing the fjord offers an ideal spot to relax — perfect for a light bite or a drink.

With two flexible meeting rooms and close proximity to the train station, airport, and E6 highway, the hotel is a practical choice for smaller meetings, conferences, and business stays — while leisure travellers appreciate being close to the fjord, mountains, and town centre.
