ABOUT

Topcamp Mosjøen is centrally located along the E6, within walking distance of Mosjøen's lively town centre. Here, comfort, nature, and new experiences come together—year-round. The campsite offers spacious, well-maintained pitches for motorhomes, caravans, and tents, all with access to electricity, sanitary facilities, and a shared kitchen. You can also stay in modern apartments or cosy cabins, with bed linen, towels, and final cleaning included.

Topcamp Mosjøen is a perfect base for outdoor adventures in Helgeland. Hike the Helgeland Stairs with over 3,000 steps, try Northern Norway's northernmost Via Ferrata, or soar across the valley on a zipline. For slower days, Sjøgata invites you to explore its historic wooden houses, small shops, and cafés. The area is also great for cycling, skiing, and hiking. On-site facilities include a playground with a zipline and trampoline, as well as a pizzeria serving freshly baked pizzas in a welcoming setting.

No matter the season, memorable experiences and true Northern Norwegian hospitality await—whether you're a family, a couple, or an adventurous traveller.
