ABOUT

Toppen Panorama offers accommodation in elevated surroundings above Mosjøen, combining scenic views with practical access to the town and surrounding nature.

The property is well suited for groups, courses, and organised stays, with access to nearby outdoor areas including Finnvika beach and hiking terrain. Its location provides a quiet setting while still being within a short driving distance of Mosjøen centre.

The facility is part of Vefsn Folkehøgskole and can be used for group stays, meetings, and programmes requiring both accommodation and access to nature-based activities.

Toppen Panorama is an ideal option for groups seeking a combination of space, views, and proximity to both fjord and town.
