ABOUT

Helgeland Yacht, also known as M/Y Opus One, is a 49-foot yacht with a licensed onboard bar and serving permit. The yacht has a high standard throughout, with a spacious saloon, three cabins and six berths. It has capacity for up to 12 guests and good outdoor areas, including a dedicated fishing platform.

The yacht has a top speed of 27 knots, and on most trips the pace is reduced in places where appropriate. The crew has experience from the Norwegian Society for Sea Rescue, with safety as their highest priority.

Join a tour around Torghattan

A tour around Torghattan is a popular experience that offers a different perspective on one of Helgeland's most iconic mountains.

The trip starts at Torghattan Camping & Strandrestaurant or at Kongebrygga in Brønnøysund town centre, passing the Norwegian Aquaculture Centre before continuing out into the archipelago. Along the way, there is a planned photo stop with views of Torghattan. The tour then continues through Torgfjorden before returning to Brønnøysund.

This is a journey where you experience Brønnøysund from the sea, coastal landscapes, narrow straits, islands and open ocean, all within approximately 1.5 hours.

More tours and tailored experiences

Helgeland Yacht also offers other trips along the coast. These can be tailored to different needs, whether for sightseeing, transport or special events.
