ABOUT

Sømna Kro Restaurant offers a relaxed and authentic dining experience based on homemade dishes and high-quality ingredients.

The menu combines local specialties with a broad selection of dishes, including grilled fish from Vega, tasting platters featuring regional meats and cheeses, fresh salads, and traditional homemade meals.

With its welcoming atmosphere and varied menu, the restaurant works well for group lunches, dinners, and stopovers along the Helgeland coastal route.

Sømna Kro provides guests with a genuine taste of local food traditions in a friendly and informal setting.
