ABOUT

Torgghatten Lodge is beautifully situated at the foot of Torgghatten, the legendary mountain with a hole through it. Overlooking the Torgfjord, the lodge offers bright and comfortable accommodation in peaceful coastal surroundings, where guests can relax and enjoy the tranquillity of nature. A hearty breakfast with fresh home-baked bread is served daily, and the terrace provides stunning views across the fjord and archipelago.

As the closest neighbour to Torgghatten, the lodge is an ideal base for exploring one of Norway's most iconic natural attractions. A well-marked trail leads to the famous natural tunnel through the mountain, while scenic coastal walks, sandy beaches and panoramic views of the Helgeland archipelago can be enjoyed right on the doorstep.
